

Sorry, this information is being updated and is not currently available to download

We are currently in the process of updating the CHSS factsheet *Oral anticoagulants* (to include information about warfarin and the direct-acting oral anticoagulants).

If you have been you have been prescribed an anticoagulant, or you are a healthcare professional with an interest in using anticoagulants to prevent stroke, and you would like share your knowledge and experience with us to help us improve our information, please contact the health information team:
