### **Laura:**

Hello my name is Laura and I am the Lead Advice Line nurse at Chest Heart & Stroke Scotland.

On this page you can find information about all aspects of living with a heart condition such as chest pain, angina, heart rhythm problems, valve problems, heart attack and heart failure

You can read about

- your condition
- tests and treatment
- keeping well and staying active
- managing high blood pressure and high cholesterol
- coping with worries and low mood
- money and travel issues
- practical and emotional support for you and your family
- and caring for someone with a heart condition

If you have any questions, my team and I are here to help you. So give us a call and "Ask the Nurse".
