

Current Perspectives in Cardiac Care Course

DATES FOR YOUR DIARY

This course will be held in Ninewells Hospital, Dundee. Topics covered over the 5 day CHD course will include:

- Day 1- Cardiovascular risk
- Day 2 - Heart Failure management
- Day 3 - Assessment and Management of patients with ACS
- Day 4 - Cardiac Rehabilitation and ACS
- Day 5 - Devices in arrhythmia management

Throughout this 5 day course participants will be expected to complete a number of activities which aim to facilitate your learning experience, your participation in the course and the integration of the theory into your personal clinical practice.

This course now offers the option to register with the school of Nursing and Midwifery, University of Dundee, to complete this as a module leading to 30 level 9 SCF points

For enquiries related to completion of this course as an accredited module please contact: nm-post-registration@dundee.ac.uk for an application form.

If you have any questions about this course please contact Dr Karen Smith, Tel 01382 660111 ext. 32206 pager 4045 or email Karen at k.m.smith@dundee.ac.uk or karen.smith17@nhs.net.

To reserve your place on the course please contact Sandra Scott at the CHD Managed Clinical Network office by phone 01382 835186 ext 71404 or email alexandrascott@nhs.net to reserve your place. This course is free of charge.
