What is Self Directed Support

Way of providing social care services which enable you to;

• Have more choice and flexibility
• Have money to buy your own services
• Choose services to suit and improve your lifestyle
• Manage your own support
7 SIMPLE STEPS TO SDS

1. Find out how much money is available to you
2. Make a plan showing how you would like to live your life and receive support
3. Agree your plan with the important people in your life and your social worker (or Community care officer)
4. Arrange how you will manage the money available for your support
5. Organise your support
6. Live your life
7. Check how it worked / review
A very personal experience
