

Suzanne Video Transcript

Suzanne voiceover:

I'm abseiling because both of my grandpas passed away with heart disease and heart attacks so I'm raising money in their memory.

We did the Roadblock Run last year to raise funds and this year we roped in our friends for the abseil.

Suzanne's friend 1:

We did the Roadblock Run together last year, so it's a really good charity, means a lot to my family – so a good cause.

Suzanne's friend 2:

Suzanne roped me in as well. And I thought; d'you know what – it's a great idea and then my husband's auntie took a massive stroke last year in the summer and I thought d'you know what – it's a good cause so we're here for everybody else that's had heart problems and chest problems and everything else so here we go!
