THIS YEAR?**

## GIVE OUR SWEEPSTAKE A TRY!

- To kick off your sweepstake, just print off the grid, cut out each team, fold it in half and place inside an envelope.
- **Decide how much you want to charge for entry into the sweepstake.** This will determine how much cash is up for grabs and how much you will raise for Chest Heart & Stroke Scotland.
- Ask everyone to select a team at random. If you're oversubscribed, just photocopy the sweepstake pages and run the sweep twice.
- **Now the best part! Sit back with your squad, put the telly on and watch the srcum-tastic, adrenaline-fuelled action unfold.**
- Claim the glory and hopefully not the wooden spoon! The winner is the person who selected the Rugby World Cup 2019 winner. Award the winner their share of the kitty or their very own World Cup trophy.
- **And finally, do something incredible and donate the remaining funds to Chest Heart & Stroke Scotland. Every penny will help people and families in Scotland live their lives to the full.**
