Reflections...

“It’s of great comfort to us all that Mum’s Fund has been set up as a lasting reminder of her. She’d be very proud to know of the generous gifts to Chest Heart & Stroke Scotland after her service. As a family, we benefited from the vital work you do in local communities, so it was natural for us to continue to help in tribute to Mum’s life.”

“Supporting you in Dad’s memory has been a great help in coming to terms with our loss.”

“Chest Heart & Stroke Scotland provided fantastic support to our family, so the choice of charity was easy.”

“We wanted to help fund the great work you do in our area.”

Advice Line Nurses
0808 801 0899
adviceline@chss.org.uk

Our Advice Line is a confidential service staffed by specialist nurses. We can offer emotional support, discuss any questions you may have, and help you find counselling or support services in your area.

Registered with and regulated by the Office of the Scottish Charity Regulator (no SC018761), Chest Heart & Stroke Scotland is a wholly Scottish charity. It also operates as CHSS and is registered in Scotland as a company limited by guarantee, no SC129114.
A TRIBUTE FUND is a wonderful way to remember someone special, while supporting our vital work in Scotland.

Creating a Tribute Fund is a positive and personal way to remember and celebrate the life of a loved one. It is also a great way to raise money and to help people in Scotland get the care and support they need.

When you feel the time is right, we can set up a Tribute Fund for you. It’s simple and straightforward and in just a few steps your Fund in memory of your loved one can be ready to share with family and friends. You can decide on the name of the Fund, who can contribute to it and how you would like to support it.

We will update you regularly on the amazing difference your Fund is making to people in Scotland affected by chest, heart and stroke conditions, and their families.

Many also struggle with their mental health, facing depression, anxiety and emotional issues. That’s why we are dedicated to providing help and support when and where it’s needed most: in hospital, at home and in local communities — now and in the future.

From helping stroke survivors rebuild their confidence and learn new skills to ensuring people with chronic respiratory and heart conditions find a lifeline through our vital services, we want to make sure we can reach everyone who needs us.

All the money raised by your Tribute Fund will have a positive impact on the individuals and families we support every day throughout Scotland.

If you would like to set up a Tribute Fund in memory of someone special, simply complete our form here or register online at www.chss.org.uk/tributefunds and we will do the rest.

Please telephone: 0131 225 4800
Or email: tributefunds@chss.org.uk
