HOW TO PLAY:

1. Decide how many candy canes are in the jar – you're in charge!
2. Ask everyone to donate £2 (or an entry fee of your choice) to take part in the game.
3. Share the picture of the jar and ask everyone to guess the number of candy canes in the jar.
4. The person with the closest guess wins – you could even have a special bonus prize for any spot-on guesses!
